Comments:

ADDITIONAL lakeside are skeletal. I have not seen the owner for ages. Will give them some of my dogs biscuits in the meantime, but please send an inspector.

Please send an inspector to the sea cadet base in lakeside. Dogs are starving. We have given them some of our dogs food. Owner missing in action :(I have a video, but it does not begin to show how skeletal they are. Thanks. Mrs Rothenburg, Lakeside.

The cadet hall where 4 dogs are starving, is on promenade road, lakeside, past the yacht club and next to the scouts. End of promenade road, opposite house no 8 promenade rd. it's Sandvlei, Lakeside. Call me for more directions or info. Thanks - Mrs rothenburg 082-926-3313
