Comments:	After discussing with Insp Rudi, I called the owner and told him that there is no way we can give him until the weekend, as we have issued enough notices and he told me that he only got one NTC which was a final NTC. I then told him that he met with Insp Prins and a warning was issued for him and he told me that he was given until the weekend but he couldn't take the dog to the vet. He is very difficult and wants ti paint us as people who wants to put his dog down. I told him that it is his choice to put his dog down, we only require him to take his dog to the vet and he has failed ti do so, now we are going to apply for awarrant and possible lay aimal cruelty charges against him. He then told me that he is going to put the dog down when he comes back from work. I thrn asked him if we can assist him and he agreed. He told me that he will be home after 19:00, we can call him on 0840689566 when we are coming. Can we please send an AH collection officer to please collect the dog .
