Comments:	I called the owner to find out if he has taken the dogs to the vet and he told me that he did not find someone to assist him with transportation. I explained to him that we have already issued him with 3 NTC and now we are left with no other option but to obtain a warrant. He then opted to surrender the dogs. He gets home after 18:00. Can I please request for an AH collection officer to collect both dogs as surrenders around 19:00 this evening.
