Comments: Good all.

I hope this email find you well.

During a recent inspection conducted by the CoGH SPCA , we requested that the owner seek veterinary treatment for their dog that appeared to be ill. The owner has advised that the dog named Hunter was examined by Dr Donna Brook at TAH Bellville branch .

Owners name : Shante Hutton

We kindly request a vet's report outlining the vet's findings, treatment plan if any , and any recommended plan of action for the future regarding the dog's health.

Thanking you in advance.
Inspector L.Prins
