Subject: Vredenheim agri spca warning 3/12/2025

Good afternoon
Hope you are well

In regards to the warning given on 3/12/2025 regarding the chickens and the injury of our tiger, here is a follow up.

All rotten chickens have been removed and dumped. The facility vet was here to evaluate the tiger's condition and injury and a full report is attached below.

Kind regards
Kayla bloemhoff
