Comments:	I phoned and spoke to Nico. He told me that the dog did not receive veterinary treatment as he did not get paid on Monday as he thought he would and did not have money. He told me that the dog will receive veterinary treatment on Friday the 26th of this month when he has money. I then phonded and spoke to my supervisor, inspector Philander as we agreed that due to the public holidays and we weekend, we wont be able to obtain a warrant before then and since we already have 3 inspectors on this case, i will phone Nico on Saturday to confirm if the dog received veterinary treatment. Case to stay on my name even though im off
