Follow-Up Date:	
Comments:	Arrived at gym, the guys who found the little falcons had them in a box. One of the personal trainers saw them busy with one of the falcons in the box and took it from them, as the falcons have been around for a long time. Little falcons learning to fly, no injuries nothing wrong with them. They where placed in a less crowded area by the trainer. Mother falcon around catching food and feeding them.
