Comments:	Upon arrival at the above location, I met with the owner, Tarryn who informed me that her dog, 'Cuddles' was no longer amongst the reeds ogg Vlei rd, but had run off through the streets adjacent to Vlei rd. She had posted multiple messages on various WhatsApp group in an effort as a notification , in addition to make a search for her dog. By 17:03 I received the below message: "Good day, good news Cuddles has been found at blue bottles side heading towards the business park" The matter has therefore been concluded.
