CASE DISCUSSION NOTE

2025-12-04

Hi there

Please log a case against my neighbours. They live in the complex next to us. They do not clean up their dogs faeces. I can smell it in my property.

Britta close
5 Viola Road, Bloubergrant

I think it is number one. It is the first unit as you enter the gate. But Ayanda can come to our house first and Tyrone can show her over the fence.
There are 2 pit bulls in the yard. No grass and poo all over
We are Unit 1 at Megans Place, 7 Viola Road
