Subject: Bosdorp - Tokai

Hi there

We have recently got involved with the family's animals in Bosdorp, Tokai. This is a community in SAN Parks housing, opposite Porter picnic area.
Please find a photo of a neutered male pitbull, named Trouble, that lives in house 6 marked on the plan. Although the dog is in ok condition, we have spoken with the owner, Dawie, asking him to enlarge the area and provide some shade (other than the small kennel). He has promised several times, but there has been no improvement.
Please could you visit and insist on an improvement. With summer here, this poor dog will take strain. There is a second dog, named Zoey and she is free roaming.
Regards
Julie Marzio
