| Type:           | CASE DISCUSSION NOTE                                                                                                                                                                                                            |
| Follow-Up Date: | 2025-12-10                                                                                                                                                                                                                      |
| Comments:       | As I wanted from the chief as to how he would like me to handle the case, I have called him, he then advised that the case must be placed on inspector Ngcofe's name, as she is the first inspector that responded to the case. |
