Comments:

The complainant(Junaid Hussain) returned my call, he told me that, on this case he is a third wheel, as the matter was presented to him by the woman called Shameila, who is also working with animals in Mitchell's Plain area, he provided me with Shameila's cellphone number as 073 739 4951.

Then at approximately 12h42, I have called Shamiela to explain what was requested by the court.

According to Shamiela, the complaint came from the accused mother after the accused was arrested for another matter, Shamiela mentioned that, she never saw the cat. She only saw the pictures, she won't be able to tell the court how long the accused was with the cat

She also told me that, unfortunately the mother of the accused died 3 months ago., I will have to discuss the way forward with supervisors as well as Shiven.
