Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	I discussed the matter with Chief following the inspector's inspection. Due to the fact that the male dog had been given away and there not being any other welfare concerns on the property, this matter to be considered closed until such time as additional information coming to light. Both the owner and her son confirmed that the dog was given away and the complainant confirmed that they haven't seen the male dog in a while.
