Comments:	Upon arrival, I met with Mrs Carelse, who gave me access to the property. She showed me the dogs on the property, 2 adult dogs and 8 puppies. She informed me that the dogs are still not sterilized yet and they will hopefully be leaving soon back to their owners. I told her that should they leave, they will still need to be sterilized as if they return to the property unsterilised, we will still take further action. She said she will keep maybe one or 2 puppies, but I told her that she must still ensure they are sterilized once they are 6 months old. I issued a Section 56 notice for failing to ensure the dogs over the age of 6 months are sterilized. Section 56 number: S298877807198843
