Comments:	I went to Wynberg Magistrates Court, to check on the outcome of the fine issued by our LE Aux members. I was told that the ID Number does not belong to our respondent and there is no record of T van der Ross on the system. So it would appear that the owner did not pay the fine nor appear in court. I will speak to Supervisor Inspector Philander as to how to proceed as Jeremy, has confirmed that there is shelter for the dog but he does not want to go back to the property until he knows the outcome of the fine issued. It is my opinion that this case can be closed as the owner has complied to SPCA requirements .
