Comments:	Upon arrival, myself and Law Enforcement Officer Michael Alexander and Robert Baker met with Michelle White, owner of the dogs and who gave us access to the property. We observed the female adult dog with her 6 puppies running around. Michelle informed us she still hasn't been sterilized as she cannot get to a place to sterilize the dogs. We informed her that we tried to organise sterilization for her but the SPCA could not get hold of her to set it up , and she is almost never home when we come there. We told her that she must get it sorted and also get the puppies other homes or must surrender the puppies to a welfare, otherwise she can face further prosecution should it be found that she still does not comply. I issued a Section 56 notice for failing to ensure the dogs over the age of 6 months are sterilized. Section 56 number: S298879807198847 Case can be closed, NFA. Yaaseen Abrahams 2025-02-27 11:40
