Comments:	Upon arrival, I met with Zaibuneesa, who gave me access to the property. She called Bryn, owner of the dog. When he came out of his room, he came with the adult female dog in question. I checked the room where he is keeping the dog in and found it a bit cleaner than last time but not still in quite a dirty condition. I issued him a Section 56 notice for keeping an animal in a dirty living condition which causes a nuisance, second offence. I also warned that further failure to comply could result the impoundment of the dog. Follow up set for 2 weeks time.
