Comments:	The owner, Mr Yazeed Abrahams with ID number 9101175404083 (0686787758) came to the office this morning to lay claim to his dogs. He stated that he really wants his dogs back becuae the one dog that was chained was temporary for the time when their were clients, which I don't believe because when the dogs were removed, the one dog was chained. I told the owner that I will contact him on Friday with an answer becuae I need to discuss the case with the inspector involved and the Chief inspector.
