Comments:	The owner and his lawyer, Mr Le Grange arrived at the office to meet with us regarding the dog . I informed them that they have missed the 7 day period as per Regulation 468. They wanted to know if they can get the dog back and I informed them no. I explained the claim process to them. I advised that we will be pursuing criminal charges and that he can explain his version to court. He then stated that he will be taking us to the high court to get his dog back. I gave them our attorney's details to address any correspondence to Barend. They asked if they can see the dog and I advised that this would not be possible due to policy and biosecurity reasons.
