Follow-Up Date:	2025-02-21
Comments:	I contacted Officer Yaseen Abraham's, I wanted to know if they can be available to go with me to the property I'm order to issue the fine, according to Officer Abraham's, they have By-law concerns that they were dealing with in Milnerton area, he was not sure if, they will be able to come to Mitchell's Plain, he mentioned that, if they come to Mitchell's Plain, they will let me know. I think the case need to be placed on Rudy's name as he can be able to see or to let me know if when I can be working with one of of the Law Enforcement officers, so that we can go to the property.
