Comments:	Upon arrival, I met with Sandy Crake at the window of the property. She informed me that the one dog Isabella died, and she confirmed once again that she sent an email to keep the dogs unsterilised. She showed me the 4 dogs through the window which is still on the property. I observed 4 adult Great Dane dogs, all unsterilised. I informed Ms Crake that I will be closing the case as she only has 4 dogs left, which is the max amount of dogs allowed and she has made the effort to apply to keep the dogs unsterilised.
