Comments:	Upon Arrival, myself and Law Enforcement Officers Abrahams and Alexander met with "Yaya", who stays on the property. She informed us that Randall is not home as he left yesterday morning and will be gone for the next few months. Officer Alexander called him and asked him if the dogs were sterilized . He said he does not want the adult dogs to be sterilized, and he has emailed RI Grove to apply for that. He did also say that the juvenile dog can be sterilized, and he is willing to get it sorted. He has been in communication with the area inspector of the SPCA to have that puppy sterilized . We will confirm with Chief Jaco if the application has been made with RI Grove, and check with the SPCA if arrangements were made with the inspector for sterilization.
