Inspector:	TREVOR RODNEY

Type:	CASE NON-COMPLETION NOTE
Follow-Up Date:	2025-03-04
Comments:	Unable to get to this case today due to confiscation in Saltriver taking longer than normal and then Supervisor Inspector Page asked that I do a follow up at aproperty in Wynberg where 16 cats were confiscated last week to check on whether the owner has cleaned the property. I am currently on at SAPS now, waiting for an ON number to be captured/ generated. Will follow up next week with the respondent via telephone
