Comments:	Upon arrival, I met with Ismail Mele, owner of the dog in question. I observed the adult female dog, and Ismail confirmed she is still not sterilized. He told me he is waiting for the SPCA to come and fetch the dog for sterilization, however I told him it should have been done in the 2 week period stipulated on the compliance notice. I told him he will be receiving a Section 56 notice and he will still need to get the dog sterilized otherwise we may impound the dog. I issued the Section 56 notice for failing to ensure the dog over the age of 6 months is sterilized. Notice number: S27968680716046 Follow-up in 2 weeks time
