Inspector:	JEFFREY MFINI

Type:	CASE NON-COMPLETION NOTE
Follow-Up Date:	2025-02-10
Comments:	I ran out of time, i think as we do not have the solid evidence with regard the nature of complaint and the complainant didn't see the accused raping the dogs. I think the area inspector need to go the property to issue a warning based on the nature of the complaint and also issue another warning to the second accused, to refrain from abusing the animals as we may take further steps should we get any evidence to support the allegations. Then we close the case
