Comments:	Mr Lawrence came to the office this morning as requested and he completed the admission forms for his brother's dogs. He provided me with an affidavit that stated his brother will be back some time this week and he instructed someone in the area to look after the dogs as well as feed but they never did - the person was paid to do this also. We will discuss this case with the Chief to find out the way forward for the dogs and I have informed Mr Lawrence of this as well.
