Comments:	I returned the call of the respondent as requested. She said that the dog is in the alleyway because she has tentants living in the back yard and that we have been to the property in 2023 and the case was closed while the dog was in the alleyway. I asked why she did not tell the inspector why the dog was in the alleyway but she could not answer me. I told her the inspector will be coming back and she will measure the alleyway too.
Captured By:	The owner said all she wants is the inspector to be a bit more friendly with her and smile with her. RUDOLPH PHILANDER 2025-02-03 11:28
