Follow-Up Date:	2025-02-07
Comments:	I called the respondent as requested and he stated that he wants us to come to the property as soon as possible but he is only able to work from home on Friday. He also stated that he does not have a Rottweiler but rather a husky x GSD. I asked the owner to send me an updated image of the dog and he said he will do so after 5pm when he gets home. I tried calling the complainant to confirm the species of the dog that they saw but the phone only rang. For now the case is on for Friday for the area inspector to conduct an inspection.
