BIRDS

REPTILES

SPIDERS, SCORPIONS & INSECTS

General comments

Upon our arrival, Officer Abrahams and I met with a man in the shop. I asked if he was the owner and he said he just worked there. We asked if they sold animals and he told us they only sold pet food and supplies. Yaaseen and I checked the back of the shop and verified that there weren't any animals. The shop stopped selling animals many years ago. NFA
