Comments by Inspector:

All appears to be in order at the property however I issued a warning based on the complainant received of beating but the owner informed me she will have a look at her cameras to see if staff are being abusive.

Warning issued: It was brought to our attention that you allegedly beat the dogs, if this is true it needs to stop immediately, should we receive any evidence supporting these allegations we may take action in terms of the law animals protection act 71 of 1962.
