- ① Provide the dog named 'Racer' with his prescribed medication daily and as per the prescription instructions. It was noted during my inspection that 'Racer' has not been provided with the recommended ear cleaning as he is aggressive and doesn't allow handlers to clean his ears. Video footage of 'Racer's' ears being cleaned and him being provided with his medication, must be sent to 078 801 3362 by 10:00 tomorrow morning (19 March 2025) and again, no later than 17:00, tomorrow afternoon/evening (19 March 2025).
- ② The dip bath at the facility is still not in working order. The broken dip bath has accumulated dirty and putrid-smelling water which must be drained. The dip bath must be hygienically maintained and proof of confirmation of the dip bath being repaired ^{or reported} must be sent to 078 801 3362 or inspl@spact.co.za by Tuesday, ~~18~~²⁵ March 2025. / / / / / / / / / / /
