Follow-Up Date:	2025-03-25
Comments:	Inspector Lee has been booked off sick for the rest of the week . He is to attend to this case in next week. Inps Lwazi does not know where this place is and no one else to show him where it is. We have not been able to follow-up on this case in a long time so this should be treated as if the inspector is staring the case from scratch.
