Subject: Property inspection -31 Surdown walk, Pinati Estate

Attention: Cadet Inspector Van der Zandt,
response to your request

September 2024 one of the dogs fought with a cat on our property, the cat came onto the property and we had a property inspection ever since that time until as recent as February 15th we had more than 7 inspections,

The latest inspection the Inspector had no idea what the reason was for the inspection

-on February 22nd I had missed call on contacting your office they had no idea who was at my property or why

The past few months my community is saying that the SPCA is just parking in front of my house at random times

Inspections was done which included pictures,dog food checks etc.
How often must this get done? Weekly,monthly or quarterly?

I really don't know of any other people that is having these regular inspections

I'm available on Saturday,8th of March 2025 from 09h30-12h00.

Hopefully this will all be clarified I have since told my community that the SPCA is looking to open a satellite office.

Kind regards
Julie Koopman
