Subject: Firlands Equestrian Park Property No 38 Carriage Lane

Morning,

The above property has had starved horses and other farm animals in poor condition for years. It is more than 2 years ago that I gave up reporting the horses to yourselves as nothing ever got done. I did get calls back from yourselves saying you could not access the property! And so the poor little horses remained uncared for and deprived of their basic needs! I unfortunately do not have those old ref numbers, I'm sorry about that!

My neighbour also reported and has forwarded ref and forms I have whats apped to Jaco. First in October 2023 form attached, then in Oct 2024 they gave a new ref INSP207370 Pics sent again Feb 2025 and got no response.

The horses now appear to be abandoned on the property plot no 38 Carriage Lane in firlands park. The property has apparently been sold. But the fact remains that these horses are still starving and neglected!

Please see all attached docs and pics

I look forward to hearing from you and seeing the ponys saved.
