| Follow-Up Date: | 2025-03-07                                                                                                                                                                  |
| Comments:       | I was not able to make contact with Jeremy of DARG, as I had an early morning/After Hours callout and then had to return 4 animals to the owner that we removed, last week. |
