Comments:	Upon Arrival, myself and Law Enforcement Officers Abrahams and Alexander met with Lodewyk , owner of the property and dogs and who gave us access to the property. Lodewyk informed us he has 6 adult dogs on the property currently. There are also 3 juvenile puppies which are all supposed to leave once they are weaned. Officer Abrahams explained the Animal Keeping Bylaw to Lodewyk and explained that the contravention we are seeing is that none of the dogs are sterilized. Lodewyk acknowledged that and said he has no problem sterilizing the dogs but he would like to keep the purebred dogs unsterilized. We informed him that he can apply via email for those dogs to be kept unsterilized and Officer Abrahams gave him the application form . Officer Alexander also issued a compliance notice to ensure that all dogs over the age of 6 months are to be sterilized, with the time frame given for 14 days. Compliance notice No: C129706807606340 We explained that upon out follow up, he will need to have sent the application form to keep unsterilized, and for the rest of the dogs to be sterilized.
