Subject: Enquire

Dear All

Kindly note that I have received a letter yesterday from you 13588 saying I need to contact you about an animal that is in my property which is I have a tortoise as I am spiritual gifted to have it.

I want to know the person who complained about it?How does it bother her or him?Can the person come with inspectors when they are visiting my yard so that I can show how do I treat it?

Kind Regards
