Follow-Up Date:	2025-03-15
Comments:	I managed to get hold of Shaney, the mother of the owner. She said that they are both only available after 5pm in the week. I asked to please ensure that someone is home tomorrow (Saturday) so that we may do the inspection. I told her to call in before 5pm today and use the NTC reference number to inform us what time someone will be home tomorrow. She said she will do so.
