Comments:	Upon arrival, there was no answer at the property. We could see that it is clean in the front of the property , no faeces build up. The Rottweiler was no longer in the front of the property as well. I called Lyndon Smith, and asked him about the sterilization of the dog. He informed me that he has an appointment for Monday at AACL for the sterilization. I told him we will confirm in next week again then that the dog was sterilized.
