Subject: TRACING REQUEST : INSP212806

Good day, Jaco

Kindly request tracing for the below : PLEASE INSPECT AS PER THE WHATSAPP MESSAGES  
RECIEVED : At approximately 14:00 MyCiti bus was going over 100km/h in the lane now by the Dolphin Beach hotel. He drove over an entire flock of birds without bothering to slow down. My partner saw this and took a photo of the bus and lodged a complaint with MyCiti. Other cars were also hooting at him as he saw the birds and made no effort to stop, he actually went faster. There was an explosion of feathers and they are apparently dying on the side of the road there now. I am in Claremont otherwise I'd go put them out of their misery.  
Pictures attached to the case.

Case reference: INSP212806
