Inspector:	AYANDA NGCOFE

Type:	CALL RECORD - MADE
Follow-Up Date:	2025-03-20
Comments:	I called Joy. I introduced myself and stated my reason for the call. She was very angry, however, i couldn't understand what she was saying as she is Asian and i dont understand her version of English . I asked her to email, her reasons for debarking her dog along with the Vet's report. She said she would do so in the week as they just got back from overseas and she is sick.
