

INSPECTOR NOTE

Building:	
Street:	
Suburb:	VILLAGE 1 NORTH
Postal Code:	7784
Date:	2025-03-19
Time:	11:31
Inspector:	WERNER TALJAARD

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-03-25
Comments:	Based on the reports, I am of the opinion that when the warrant was executed, the inspector should have arrested the owner or person on the property at the time for concealing the animal. The inspector must wait another 2-3 weeks and return to the yard to see if the dog is there. If not, the accused must be arrested for obstruction and concealing the dog.
