Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-04-02
Comments:	I discussed this case with Senior Inspector Emma on a way forward with this matter. After reviewing the facts of the matter, we came to the conclusion that there is enough for a docket to be registered and we believe that we should pursue a case of cruelty against the owners. The veterinary stated in her report that the animal was neglected and should not be returned to the owners. Docket officer to please review and advise what evidence is needed from the inspector.
