Good day, Michelle

Thank you for reaching out to the Cape of Good Hope SPCA regarding your concerns .

We would like to provide you with an update concerning the post observed on Facebook . One of our SPCA drivers was assigned to assess the area and drove along the N1 towards Paarl, but, unfortunately, was unable to locate the dog in question. The driver then made a U-turn on Okavango Drive to rejoin the N1, continuing the search towards Cape Town, but still did not succeed in spotting the dog.

We would greatly appreciate it if you could provide us with the details of the vehicle involved . Without this information, we are unable to pursue further investigations into the matter.

Thank you for your commitment to animal welfare.

Regards
PEACE NKOLOLO 2025-03-03 08:31
