Subject: Burnt dog in Klipheuwel

Good day

We please need your assistance.

This morning we were notified of a dog that sustained burn wounds after it was burnt with hot water by the neighbour. Apparently, according to the neighbour, the dog stole one of his chickens. The dog was burnt on Thursday and ran away. The owner searched for it and only found it over the weekend. We went out this morning to Klipheuwel and on our arrival, the dog already passed away.

Can we please ask an inspector to go to the house in Klipheuwel. The owner is Ntate, 060 424 0974, and he stays at K47. It is next to the church at the top of Klipheuwel Squatter Camp. The owner did not want to give us the body of the dog, he wanted to bury it himself.

Can you please see what can be done to prosecute this person who did this to the dog.

Your assistance will be greatly appreciated.

Please see the attached video and photo we received from his son.
