| Comments:       | Mr clark cupido (0676955144) from 3 Dakota street Macassar called in connection with the warning number: 22012. Mr. Clark mentioned that he's only available Saturdays as he works during the week , and the number he provided above is his wife number as he's own phone is currently on repairs . But the inspector can give him a call for further discussion. |
