My uncle has 3 dogs on his property. They are mixes Jack Russell's. He feeds them once a day but most days they do not want to eat their food because their teeth can't bite through the food anymore. They don't get washed and one dog looks like he is sick. I feel he doesn't look after them at all and it's a shame because they are nice dogs. I don't even think they are vaccinated Cruelty Evidence 20250303_211255.jpg POPI Consent - I agree to the processing of my above mentioned personal information for the purpose of electronic communication - I would like to receive the latest news, updates and information on services from Cape of Good Hope SPCA
