We pulled up at our home last night 3 boys were walking with a dog (black pitbull) they walked past and teased the neighbours dogs next door, next moment we saw the neighbours dogs were outside and the dogs were fighting. One of the boys that were with started kicking the neighbours dogs. They then went around the corner. I however did see one of the boys with a scissor in his hand last night, however we did not see him stab the dog with the scissor. We saw the dog laying in the road injured and then called our neighbour to let them know that the dog was injured. (W)
