Comments:	At approximately 09h46, I have called the owner to find out if the dogs were taken back to the vet as they were supposed to be getting weekly treatment, Julie told me that, she didn't take the dogs back to the vet as she got sick and she was instructed by her Dr to meet with people, I told her that, still the dogs needs to carry on with the medication. Then I wanted to know, when she will be ready according to her Dr, she responded by saying, she will be going back to the doctor on Saturday, then she will give us a call. This case one of the difficult case, as the owner appeared to be on and off when it comes to taking the dogs to the vet. I think we need to ho back on Saturday.
