Good morning

The last couple of weeks has been hectic and we are requesting a period of grace as I was suffering from a terrible and aggressive flu and my son was also involved in an accident we need to regroup and are respectfully requesting a period of grace until Mid- May by this time things should be more clearer and there should be a definite way forward in terms of the dogs well being.

We are going through a very challenging period with health issues and other issues popping up and we will appreciate if you will consider the request.

Kind regards

Julie Koopman
